Wow. I am ashamed to have this book in my update. Let me just say that I tried to sign up for badreads.com to appropriately describe Blood Red by Heather Graham, but they rejected my review due to sexual content and language. To sum up, main character Lauren Crow (again with the auburn hair, ugh) and her two

~~Blood Red~~ manages to breathe new life into the tired  
genre of vampire fiction and it does it extremely well.  
Having never read a book by Heather Graham before I  
wasn't sure what to expect; I didn't know if I was in for  
a bodice ripper with fangs or a book with fangs with a  
touch of fire. Thankfully it was the latter.

Another awesome Heather Graham

interesting characters, steamy scenes between

puts into allowing her vampires to live among  
humans. The love story between Sean and Meghan is
