~~The Isuzu Elf is a medium duty truck produced by Isuzu since 1959. Outside Japan it is known as N series. The range was originally mainly available in Japan and other Asian countries. Australia was another important market for the Elf and N series - to the extent that it was manufactured there from the 1970s using many local components. Since the early 1980s, it has also been sold and built in the United States, and also as the Isuzu N-Series. North America only receives the wide-cab ...~~
