The glove box to my 2001 VW  
Jetta was locked shut. A kid  
in my car, not realizing it  
was locked, pulled too hard  
on the handle/latch and the  
darn thing broke right off!  
So now there is a nice  
rectangular hole in the  
glove box, where the  
handle/latch should be.

# File Type PDF 2001 Vw Jetta Glove Box Repair

Meanwhile, the key still turns the lock mechanism in the broken off handle/latch.

How do I open a glove box  
that has a broken latch,  
2001 VW Jetta? I've tried  
web searches, but they all  
explain how to REMOVE and  
REPLACE a broken latch, not  
really addressing how to  
open a CLOSED glove box. The  
latch is off, as are the  
two, for lack of a better  
word, metal hooks and a  
spring. There is no way to
