The term "Five Civilized Tribes" derives from the colonial and early federal period in the history of the United States. It refers to five Native American nations—the Cherokee, Chickasaw, Choctaw, Creek, and Seminole. These are the first five tribes that European Americans generally considered to be "civilized". Examples of colonial attributes adopted by these five tribes, which led European Americans to label them civilized, include Christianity, centralized governments, literacy in ...

The Five Barbarians, or Wu Hu, is a Chinese historical exonym for ancient non-Chinese peoples who immigrated to northern China in the Eastern Han dynasty, and then overthrew the Western Jin dynasty and established their own kingdoms in the 4th – 5th centuries. The peoples categorized as the Five Barbarians were the Xiongnu, Jie, Xianbei, Di, and Qiang. Of these five tribal ethnic groups, the Xiongnu and Xianbei were nomadic peoples from the northern steppes. The ethnic identity of the ...

I perused the rulebook for Five Tribes, and unless I'm missing something, it would be very simple to design a solo variant for this game, especially a beat-your-high-score type. The Mancala mechanism renders it a big puzzle. I think that mastering the meeples movement itself would be challenging enough to warrant a few solo games.
