Under law, a corporation is considered to be a legal person distinct from the shareholders who own it. This means that individual shareholders are not personally liable for the debts and obligations of a corporation. If a corporation fails, the shareholders will only lose the assets that they originally invested to purchase their shares.

Black's Law Dictionary is the most widely used law dictionary in the United States. Henry Campbell Black (1860–1927) was the author of the first two editions of the dictionary. The U.S. Supreme Court has cited the dictionary as a secondary legal authority in many Supreme Court cases. However, it is still just essentially an abridged dictionary with pronunciation guides that has some slight ...
