**Doreen Rappaport and Bryan Collier** *A Reconsideration Of The Role*

This thesis aims to reconsider current reconstructions of the Iron Age Northern Levant and the role that ceramics studies have played in these interpretations. This study begins with an assessment of the use of the historical narrative in current interpretations. This historical interpretative framework has produced a broad perspective on Iron Age society, at the expense of localised behaviours.

Schumpeterian. The purpose of this paper is to reconsider the difference between Schumpeter's portrayal of the entrepreneurial role, and my own earlier (1969, 1973) portrayal of that same role. 1 In 1969 and in 1973, in the course of developing my own understanding of the entrepreneurial character of the competitive, equilibrative market process, I emphasized these differences as I then saw them.
