We're ambitious in our intent to raise the standards of social work and education and training, to deliver radically different regulation and to build confidence in the social work profession.

Corporate strategy - Social Work England

A social media strategy defines the relationships, their value and sets out a plan to harness them to achieve a particular goal or set of goals. This view of strategy sees business as part of a wider set of networks that involve social interactions and levels of influence that then determine a business's capabilities to access resources (e.g. talent, funding...) and organize these to achieve its goals.
