How to Homeschool Eighth Grade | Time4Learning

Wow, 8th grade is almost here. This school year marks our 9th year homeschooling. It seems like yesterday that my boy was a little Kindergartner who was thrilled to start homeschooling. While it is exciting to watch my children learn, grow, and change, I’m thankful that we have several more years of homeschooling ahead. My rising 8th grader has always loved science and over the past year the ...
