The Second World War by Antony Beevor | Waterstones
We review The Second World War by Antony Beevor. Second World War – the blurb. The Second World War began in August 1939 on the edge of Manchuria and ended there exactly six years later with the Soviet invasion of northern China. The war in Europe appeared completely divorced from the war in the Pacific and China, and yet events on opposite sides of the world had profound effects.

The Second World War Audiobook | Antony Beevor | Audible.co.uk

Antony Beevor, using many overlooked and new sources from Dutch, British, American, Polish and German archives, has reconstructed the terrible reality of this epic clash. Yet this book, written in Beevor ' s inimitable and gripping narrative style, is about much more than a single dramatic battle. It looks into the very heart of war.
