Salvador Dalí featured his signature melting clocks in limited edition prints, Keith Haring sketched cartoon babies across New York City's subways in the 1980s, and Hunt Slonem obsessively paints hundreds of bunnies in quirky frames from flea markets.~~

~~This modern icon is acrylic on canvas and is inspired by a medieval fresco. By 2020 i only had a fairly faded photocopy of the original so my initial draft and details guided the remaining work i did.
