It was very interesting to see how two top artists go about their business via their sketching routine. Each sketch is initialed by the artist who did it and an anecdote is presented alongside it. Lots of useful information for artists of all genres and me Having recently become interested in James Gurney's art and books, I was looking forward to seeing what he had to say about Sketching.

The Artist's Guide to Sketching » GFExtra

Before they became established in their careers, they "sketched their way across America" as art hobos, hopping freight cars, finding adventure, and drawing, drawing, drawing. Much of this attitude and some of this biography made its way into the book, The Artist's Guide to Sketching -- a book firmly committed to the idea that artists need to get outdoors -- into the real world -- and draw from life.
