As above so below meaning . The universe is the same as God. God is the same as man. Man is the same as the cell. The cell is the same as the atom. The atom is the same as...and so on, ad infinitum.” This message theorizes that man is the counterpart of God on earth. As God is man’s counterpart in heaven.

**the symbol.** Origins of the as Above so below Quote. The exact origins of this phrase are unknown, but the as above so below quote is found in the Emerald Tablet which is a section of the Hermetica. These are Egyptian-Greek texts that are said to have been created by Hermes Trismegistus and are the foundations of Hermeticism, a form of religion, tradition, or philosophy that involves the exploration of nature, astrology, the soul, the human mind ...

## As Above so Below Meaning - Do you know their meaning?

There is a wide variety of symbols included in Levi's famous image of Baphomet, and much of it has to do with duality. The hands pointing up and down imply "as above, so below," that in these two opposites there is still union. Other dualities include the light and dark moons,

## As Above, So Below - Architecture - e-flux

The Emerald Tablet of Hermes Trismegistus is a short work which contains a phrase that is well known in occult circles: "As above, so below." The actual text of that maxim, as translated by Dennis W. Hauck, is: "That which is Below corresponds to that which is Above, and that which is Above corresponds to that which is Below, to accomplish the miracle of the One Thing".
