Dixit Tens Machine in Labour - What you

need to know!! Babycare Before Birth

The book is called 'Babycare before Birth'

but there is quite a lot on life after birth in

there, too, so all in all the pregnancy section

isn't THAT long. Another book I'd

recommend for mums-to-be is Sarah

Brewer's Super Baby - it is a bit OTT and

daunting in places, but some of her ideas,

such as playing music to your baby while it's

in the womb, are interesting.

A baby dying before birth occurs in one in every 200 pregnancies. The most common reason for a baby dying in the womb is because the baby has not been growing properly. There are other causes, including infection, abnormal development of the baby, diabetes, early separation of the placenta and pre-eclampsia (high blood pressure and protein in your urine – see the RCOG patient information Pre ...
