I wanted to find out how the painted batik process could express these themes, and enhance my wider art practice. Batik is widely known as a method of dyeing cloth, using wax as a resist to leave blank spaces and create patterns in the design.

~~How To: Make a Batik Style Painting | Cass Art~~

Bare in mind that Batik art isn ' t a one day process, there are a few steps with this process but that said – it ' s a good one for kiddos with little concentration! We ' d googled all the different ways of making a Batik Craft and although the wax crayons sounded so much fun, I decided to stick with washable glue as the children could more easily draw recognisable patterns.

~~Fun and Easy Fabric Batik Art Craft for Kids - Thimble and ...~~

Sample batik by modern artists show what can be done with craft, skill, and imaginatlon. The author takes the reader through all aspects of making a batik, from a simple dipping, or tie-dyeing, to sectional dyeing, and the more intricate five- or six-color patterns.

A new Crafts Council interview for the First Decade project. In this interview the textile artist Noel Dyrenforth discusses the craft revival, counterculture and finding his place as an 'outsider' in the art of batik. Prior to his use of the technique, batik had a scarce tradition in Western culture.
