Behind The Backlash Muslim Americans

Behind the Backlash: Muslim Americans after 9/11 is the work of professor Lori Peek published by Temple University Press in 2011. This work addresses the violence Muslim Americans faced unexpectedly living in the post-9/11 United States. Peek examines how stereotypes, stigmas, and discrimination against the religion of Islam and its many peaceful followers, as well as Arabs and those from the Middle East, came into full force. Peek's work provided a platform for the stories and voices of 120 Mus

Behind the Backlash: Muslim Americans After 9/11 - Wikipedia

Peek also explains the struggles of young Muslim adults to solidify their community and define their identity during a time of national crisis. Behind the Backlash seeks to explain why blame and scapegoating occur after a catastrophe. Peek sets the twenty-first century experience of Muslim Americans, who were vilified and victimized, in the context of larger sociological and psychological processes.
