Anyway got the behringer after doing a small bit of research and I was BLOWEN away with the quality and performance of the behringer 1680. Anyone that knows the Bose 802's knows that you need an external controller box in order to get sound from the 802's but because the behringer has a built in crossover, I don't need the external controller. The "power" from the behringer is truly phenomenal ...
