Beyond Eden Full  
Product Description

This study guide helps readers think about what the first eleven chapters of Genesis is really about, according to what the Bible is saying, not according to science or anything else, and to think

Read Free

through the  
implications of  
these chapters in  
relation to areas  
like marriage and  
relationships, work  
and rest,  
technology, and  
evangelism.
