So, it 's particularly interesting to see McSweeney 's do a gorgeous edition of the 1972 comic book Binky Brown Meets the Holy Virgin Mary by Justin Green. The comic is about 48 pages, give or take — the first long-form autobiographical story in underground comix — but is in a huge (over a foot tall!), hardcover edition covered in gold-leaf.

A lost classic of underground cartooning, Binky Brown Meets The Holy Virgin is the very first of two genres: the autobiographical graphic novel and a secular exposition of Obsessive-Compulsive Disorder. Through his cartoon doppelganger Binky, Justin Green explores the relationship between sexual repression and the formation of homemade coping strategies which manifest as spectacular neurotic symptoms.

Of all the underground comics, Binky Brown Meets The Holy Virgin Mary may have had the most lasting impact on alternative and popular comics, though there are certainly millions of comic-book fans who have no clue about its importance. Justin Green's autobiographical tale about his Catholic upbringing was truly groundbreaking and inspired fellow and future comic creators to publicly divulge their private lives and personal histories, for better or worse.

Binky Brown Meets the Holy Virgin Mary is a 44-page autobiographical comic book from 1972 by American cartoonist Justin Green. It was the first long autobiographical work to appear in underground comics, and was extremely personal, detailing Green's childhood struggle with a disorder which in Catholicism is referred to as scrupulosity, and was later diagnosed as obsessive-compulsive disorder (OCD).
