Biological Anthropology: Park, Michael: 8601422016659 ...
Michael Alan Park (Ph.D. Indiana, 1979) is a professor of anthropology at Central Connecticut State University, where he has been on the faculty since 1973, teaching courses in general anthropology, human evolution, biocultural diversity, human ecology, forensic anthropology, and the evolution of human behavior.

Biological Anthropology: Park, Michael Alan: 9780767425940 ...
Anthropology is the study of humans in comparative

Online Library Biological Anthropology Park

perspective – comparing societies and cultures, looking at change over time, and exploring human biological diversity. Biological anthropology takes this comparative approach to exploring human evolution and adaptation: comparisons between humans and other animals to understand human uniqueness and biological variation; comparisons across time to unravel the evolutionary history of hominins over the last 6–8 million years; investigating ...
