Answers

AQA GCSE Biology Revision | Topic Questions | Past Papers

The ecology part of the GCSE Biology specification contains many important topics from animal adaptations to biodiversity within plant populations. You will need to know how biotic and abiotic factors impact on the survival of plants and animals and then in turn how this affects the biodiversity of different communities and ecosystems.

AQA | GCSE | Biology | Specification at a glance

Each test consists of 12 questions, each with five possible answers, only one of which is correct (or optimum). You have a maximum of 10 minutes to complete the quiz. If you redo the quiz, you will not get the same set of questions, so it is a good idea to come back to each topic on several occasions.
