Black churches are instrumental in establishing mutual aid societies, schools and parishes. Any politician hoping to gain the vote of the African-American community will visit a black church and may even use black rhetorical styles.

List of books and articles about Black Churches | Online ...

To conclude: the church's role in politics is to be there visibly in the context of political policy formulation. The church has to be prophetic, speaking for God. The church has to herald the ethical values that enrich a nation. The church has to be bold and forthright, constructive and innovative.
