The System 7 Carbon helmet provides maximum comfort and safety. The full carbon helmet shell is especially light and has outstanding impact absorption properties. The quadruple-joint chin bar pivot ensures a low front profile even with the chin bar open. Removing the chin guard requires no tools and only two buttons - turning it into a fully edged jet helmet.

Simple conversion into open-faced helmet; Prepared for BMW communication system; Approved according to ECE 22-05; The new limited edition design is inspired by the legendary Option 719, and comes with a standard clear visor, as well as a tinted visor that integrates perfectly with the helmets design (pictured). The tinted visor option is not approved for road use and for daytime use only ...

System 7 Helmet - Bahnstormer Motorrad

Riding in heavy rain showed another impressive side of the BMW Trophy Helmet. The visor kept clear from rain, and the shape pushed any water to either side. I was so impressed that this is the most exciting feature on the Helmet. Riding behind my friend Baz, I noticed he was clearing his Visor 17 times on his Shoei Helmet using a swipe fixed to his gloves. I didn't touch my visor at all at ...
