The process of naming your company is very important, and ideally you do want to get it right first time - this means your brand is consistent throughout the lifecycle of your business, and if it grows and you evolve into something different then that's fine. Try to pick a name that can grow with your business.

Vendors and contractors can cut your costs, but also limit your supervisory authority. Choose your most applicable option. As a rule of thumb, assign full-time employees to your company's core strengths, and use additional personnel to fill out peripheral duties, such as accounting, tax preparation and IT.
