~~Course Summary – Centers for Disease Control and Prevention~~

Staff Training on Bullying Prevention. To ensure that bullying prevention efforts are successful, all school staff need to be trained on what bullying is, what the school's policies and rules are, and how to enforce the rules. Training may take many forms: staff meetings, one-day training sessions, and teaching through modeling preferred behavior. Schools may choose any combination of these training options based on available funding, staff resources, and time.
