This edition links the application of law and government regulation to a business environment and helps students develop an understanding of the legal processes that impact on business. It focuses on the importance of the application of court decisions, statutes, and government regulation to both business and students' daily lives.

Business Law, 10th, Gibson, Andy | Buy Online at Pearson

(An earlier business law text by authors Lieberman and Siedel was hailed “the best written text in a very crowded field.”) Our goal is to provide students with a textbook that is up to date and comprehensive in its coverage of legal and regulatory issues—and organized to permit instructors to tailor the materials to their particular approach.

Business Law and the Legal Environment - Open Textbook Library

At the undergraduate level, he taught courses on business law, the legal environment of business, ethics, business organizations, cyber law, and intellectual property.
