Canon iR1300 series, 1630, 1670F Parts Manual. After purchasing a new item, sometimes the product manuals can get caught up in the packaging and discarded or over time can get mislaid. Most of us think, I would never open up the product to find out what is wrong, so what do I really need my manual for? The assumption that your product manual is only for people with great technical skill is a ...
