Child protection and safeguarding means protecting children from abuse, and identifying and stopping abuse that might already be happening. Our safeguarding promise. Abuse of a child or young person under the age of 18 is defined as follows. Abuse is a deliberate act of ill-treatment that can harm or is likely to harm a child or young person's safety, well-being and development.

Child protection and safeguarding | The Children's Society

protecting children from abuse and maltreatment; preventing harm to children's health or development; ensuring children grow up with the provision of safe and effective care; taking action to enable all children and young people to have the best outcomes. Child protection is part of the safeguarding process.

Safeguarding children and child protection | NSPCC Learning

Child protection, as defined by the voluntary agency Child-to-Child, is 'a broad term to describe philosophies, policies, standards, guidelines and procedures to protect children from both intentional and unintentional harm' (see <http://www.child-tochild.org/about/childprotection.htm>).

Child protection and the needs and rights of disabled ...

"It is well known that those children assessed as falling just below the [child protection] threshold can still have high levels of need and risk, requiring a level of social work involvement beyond the low-resource and low-oversight model that generally accompanies a child in need categorisation," their report said.

Child in need or child protection? The never-ending issue ...

A child's needs are seen as complex when they are not fully met due to their range, depth or significance. They may prevent the child from achieving or maintaining a reasonable standard of health and development without the intervention of more specialist and intensive services from the Local Authority.

Child in Need - Levels of Intervention (LOI)

The UK's four nations - England, Northern Ireland, Scotland and Wales - each have their own child protection system and laws to help protect children from abuse and neglect. Each nation has a framework of legislation, guidance and practice to identify children who are at risk of harm, take action to protect those children and prevent further abuse occurring.

Child protection system in the UK | NSPCC Learning

A child's need for protection trumps the adult's interests in the child And one of the first arguments where I want to hear how people respond is the case Lord Carlile makes that we should be much...

The failure of child protection and the need for a fresh ...

What is a child protection plan? A child protection plan is a plan drawn up by the local authority. It sets out how the child can be kept safe, how things can be made better for the family and what support they will need. As a parent, you should be told: the reason for the plan; what you should do to make sure the child is protected

Child abuse - child protection plans - Citizens Advice

Child in Need of Protection or they are a Child in Need or likely to suffer significant harm where the Local Authority has a duty to intervene Subject to statutory timescale for intervention. The Continuum of Needs indicators: these help you in thinking through where a child might sit on the continuum.

THE CONTINUUM OF NEED - The Grid

There are crucial differences between child protection plan and child in need plan. For a child protection plan the conference needed to have decided that your child had suffered significant harm (physical abuse, sexual abuse, neglect or emotinal abuse) and that there is a continuing risk of him suffering further harm.

Difference between Child in need plan and child protection ...

Child protection systems help children access vital social services and fair justice systems - starting at birth. They reach out to the most vulnerable children, including those with disabilities; girls and boys who have been placed in alternative care; children uprooted by conflict, poverty and disaster; or those who may become victims of child labour or trafficking, or recruited into armed groups.

Child Protection | UNICEF

Provide targeted early help services to address the assessed needs of a child and their family which focuses on activity to improve the outcomes for the child. 3. Local authorities, under section 10 of the Children Act 2004, have a responsibility to promote inter-agency co-operation to improve the welfare of all children.

Chapter 1: Assessing need and providing help

Child protection, as defined by the voluntary agency Child-to-Child, is "a broad term to describe philosophies, policies, standards, guidelines and procedures to protect children from both intentional and unintentional harm" (see <http://www.child-to->

OF DISABLED CHILDREN AND YOUNG PEOPLE: CHILD PROTECTION ...

A ' child in need ' assessment under section 17 will identify the needs of the child and ensure that the family are given the appropriate support in enabling them to safeguard and promote the child's welfare. What is the legal definition of a child in need? Under Section 17 Children Act 1989, a child will be considered in need if:

Child in need

Child protection Child protection is available to children and young people who are at risk of significant harm and need protecting. This includes harm from physical, emotional or sexual abuse, and neglect.

Children and young people's services - NHS

UNICEF defines a 'child protection system' as: the set of laws, policies, regulations and services needed across all social sectors - especially social welfare, education, health, security and justice - to support prevention and response to protection-related risks. These systems are part of social protection, and extend beyond it.
