Clause 13 A Variation must be a change to the Works and be instructed or approved pursuant to Clause 13 [Variations and Adjustments] for this definition to be satisfied. Approval is a reference to the value engineering mechanism at Sub?Clause 13.2 [Value Engineering]. An instruction fulfils this definition

Commentary: FIDIC Conditions

If you wish to refer to a sub-clause in a narrative or correspondence, I prefer to see it in the following format: For major clauses: ‘Clause 13 (Variations and Adjustments)’ For sub-clauses: ‘Sub-Clause 13.3 (Variation Procedure)’ A common failing when writing letters or claims is to just refer to the sub-clause number without the title.

Referencing of Clauses in Correspondence and Claims ...

Acces PDF Clause 13 Variations And Adjustments Corbetto A variation in quantity clause provides that after a certain amount of variation (typically 15-25%) there will be an equitable adjustment of the contract price. But only to the extent that the variation quantity caused an increase in the actual performance cost per unit.
