Qualitative Research: Definition, Types, Methods and Examples

Ultimately, there is no right or wrong way of conducting a qualitative research project. Nevertheless, some approaches and methods are more conducive to certain types of qualitative inquiry than are others. A key distinction in this regard is the difference between pure and applied research. It is the latter of these—applied

Qualitative Research - SAGE Publications Inc

Unquestionably, data analysis is the most complex and mysterious of all of the phases of a qualitative project, and the one that receives the least thoughtful discussion in the literature. For neophyte nurse researchers, many of the data collection strategies involved in a qualitative project may feel familiar and comfortable. After all, nurses have always based their clinical practice on ...
