1. Law of Contracts 1.1. Definition and Forms of contracts The law of contract is concerned about the legal enforceability of promises. In that context, a contract may be described as an agreement that the law (the Courts) will enforce. This notion of enforceability is central to contract law. If you break (breach) the contract, the other party has

1. Law of Contracts 1.1. Definition and Forms of contracts

The dominant source of contract law is common law, whereby the previous decisions of the courts form part of the current law. There are also various statutory provisions which support contract law, one example which will be discussed later in this guide is the Unfair Contract Terms Act 1977 .

An Introduction to Contract Law

"The English courts' approach to the doctrine of consideration is artificial since it has very little to do with the parties' agreement. A change in the law is imperative to ensure clarity in the law and to stop a slavish adherence to the neo-classical theory of contract law." Critically discuss. 4.

Australian contract law concerns the legal enforcement of promises that were made as part of a bargain freely entered into, forming a legal relationship called a contract. The common law in Australia is based on the inherited English contract law, with specific statutory modifications of principles in some areas and the development of the law through the decisions of Australian courts, which ...
