However, it has delegated this authority to the Financial Accounting Standards Board (FASB). FASB is the primary standard-setter in the United States. GAAP rests on a conceptual framework of accounting which derives from the fundamental objective of financial reporting to provide information that is useful in making business and economic decisions.

Chapter 6--Process Costing

3. An accounting entity is a company that has an identity separate from that of its owners and managers and for which accounting records are kept. There are three main forms that accounting entities
