desires, such as maturity, independence, and creative critical thinking. Based on Gatto ' s description of a well-educated person, a combination of two commonly used homeschooling methods—the Charlotte Mason method and unschooling—would most likely produce the results Gatto would like to see in students. Brief Homeschooling Overview

Are All Homeschooling Methods Created Equal?

Creativity is a form of critical thinking, and once a person has creative thoughts there is an opportunity to grow in critical thinking. So why is it that children are more creative than adults? Reference: Moore, B.N., Parker, R., (2012) Critical Thinking (10th ed.) New York, NY: McGraw Hill

Use writing and reading for inquiry, learning, and creative/critical thinking. Consider the historical, linguistic, and cultural contexts in which the literature was written and discuss how the literature functions within those contexts. Better understand themselves as readers, having (re)examined their personal, political, and cultural concerns.
