Critical Perspectives on Global Governance: Rights and ...

About Critical Legal Perspectives on Global Governance. This book of essays, written in honour of Professor David Trubek, explores many of the themes which he has himself written about, most notably the emergence of a global critical discourse on law and its application to global governance. As law becomes ever more implicated in global governance and as processes related to and driven by globalisation transform legal systems at all levels, it is important that critical traditions in law ...
