This anthology recasts the debate in a way that will open it up for further development. The book starts by juxtaposing key texts from the two philosophers; it then adds a set of reactions and commentaries by theorists who have taken up the two alternative approaches to power and critique. Two of these essays were written especially for this volume.

Critique and power: recasting the Foucault/Habermas debate ...  
Foucault-Habermas debate. The Foucault-Habermas debate is a dispute concerning whether Michel Foucault 's ideas of "power analytics" and " genealogy " or Jürgen Habermas ' ideas of " communicative rationality " and " discourse ethics " provide a better critique of the nature of power in society. The debate compares and evaluates the central ideas of Habermas and Foucault as they pertain to questions of power, reason, ethics, modernity, democracy, civil society, and social action .
