Cultural Revolutions analyzes the place of material culture, ritual, and everyday life during these revolutions, providing a fresh and engaging interpretation of the strategies used to transform people from monarchists into republicans. The author shows how, faced with the challenge of persuading large populations to alter their previous convictions and

Cultural Revolutions: Everyday Life and Politics in ...

In Cultural Revolutions, Leora Auslander takes a highly original approach to the significance of the political changes wrought by the English Civil War (1642-1651), the American Revolutionary War (1775-1783), and the French Revolution (1789-1799). This broadly conceived yet succinct essay advances a new argument: that these three revolutions were not bourgeois in character but were revolutions of culture that led to a transformation of the ways societies could be politicized.

Cultural Revolutions: Everyday Life and Politics in ...

From the point of view of constraint, everyday life is governed by an economic system in which the production and consumption of insults tends to balance out. The old dream of the theorists of perfect competition thus finds its real

perfection in the customs of a democracy 12 given new life by the lack of imagination of the left.

Revolution of Everyday Life

Because of its increasing triviality, everyday life has gradually become our central preoccupation (1). No illusion, sacred or deconsecrated (2), collective or individual, can hide the poverty of our daily actions any longer (3).

The Revolution of Everyday Life | The Anarchist Library

The Cultural Revolution was without question a disaster for China, but far less damage was done in those 10 years than in the Great Leap Forward or 40 years of family planning. In the countryside...

Voices From China's Cultural Revolution - The New York Times

Some trends, including the ongoing impact of the French Revolution, ran through virtually the entire 19th century. Other characteristics, however, had a shorter life span. Some historians prefer to divide 19th-century history into relatively small chunks. Thus, 1789–1815 is defined by the French Revolution and Napoleon; 1815–48 forms a period of reaction and adjustment; 1848–71 is dominated by a new round of revolution and the unifications of the German and Italian nations; and 1871 ...
