Teacher's Pet » VE Day - Tommy in the window Cut Out

Leave it to dry before beginning to cut the soldiers out because moist paper is trickier to cut and can tear. When cutting the soldiers out I find it easier to cut them out roughly at first and then more carefully as they're easier to handle. Cut a slit in the base of the soldier and in the soldier base and slot the two together. You're first paper soldiers are ready for action!! ... perhaps they're the first action figures made in your town?

Print out the template of choice. Colour pieces, as necessary. Cut out the pieces. This step may require adult assistance. I usually let young children cut out the large pieces while I cut out the smaller pieces. Glue the soldier together as follows: Glue the body to the legs (there is a tab on the legs for applying glue).
