Dad's Pregnant Too! is a first-of-its-kind guide written for expectant fathers, but also intended for couples. From the first positive test, to the first time seducing your pregnant partner, to the first push, to the first week home following the birth, Dad's Pregnant Too! exposes and explores everything an expectant dad needs to know (but no one ever tells him).

## Dads Pregnant Too Expectant Fathers

### Expectant Mothers New ...

For new dads and expectant fathers, pregnancy and childbirth can be unknown, uncharted territory. Sure, they have the experience of knowing that the expectant mom has new life growing inside of her, but without the actual, physical experience, they may be left behind when it comes to knowing what is really happening to the expectant mom's body as she continues on with pregnancy and gives birth.
