Above all, you need to be right. Your ability to not only be decisive, but to be right, is the value you bring to your team as a leader. That being said, here are some tips on how to improve your decision-making skills: 1. Gather Relevant Information. Exhaust your resources before coming to a decision.

5 Ways to Improve Decision Making Skills as a Leader?

As a result, there is an understandable feeling that decision-making in organizations today is more scientific and soundly based than was the case in the days when hunches, gut feel and experience...

How Leaders Can Get Better At Using Data To Make Decisions

The "Leader Laws" (a must read) Our three Leader Laws will be your go-to for decision making. They should guide the way you handle situations, make calls and interact with people every day. Memorize them, live them, breathe them... even recite them in the mirror every morning (we do).
