Delta ShopMaster Model SS250 is a 16" variable speed scroll saw. The variable speed range for the Model SS250 is 400-1800 cutting strokes per minute. The Model SS250 offers a full 2" depth of cut for thick workpieces. UNPACKING AND CLEANING. Carefully unpack the machine and all loose items from the shipping container(s). Remove the protective ...

Delta SHOPMASTER SS250 User Manual

Delta scroll saw operates on speeds from 400 to 1,750 strokes per minute, which should allow you to cut through both soft and hard kinds of woods reliably. Aside from that, because the blade arm pivots instead of moving up and down, this scroll saw operates with significantly reduced vibration and noise.
