While at the store buying fishing weights for lead I noticed these little steel fishing weights. They are cylindrical with a smooth surface, perfect for engraving the demons names around the circumference in Hebrew. So I bought them and, researched how to write the names in Hebrew (ie: the demon hit list) and engraved them on.

Author John Eckhardt has gone yet another step further in equipping the saints to defeat the powers of darkness in his all-new Deliverance Thesaurus: Demon Hit List. Since identifying and uncovering demons by name is so important in deliverance, the idea to write a thesaurus is well overdue. Some argue that we don't need to know the specific names of demons. After all, what's in a name? Names are what we use to identify. There is power in identification. Identifying the enemy is a key to ...
