Library drugs have had a major impact on the criminal justice system for decades each year since 1996 more people have been arrested on drug charges than for any other single offense if one were to include

drugs society and criminal justice  
The consequences of illicit drug use impact the entire criminal justice system, taxing resources at each stage of the arrest, adjudication, incarceration, and post-release supervision process. Although drug courts and diversion programs in many jurisdictions have helped to alleviate this burden (see text box ), substance abuse within the criminal justice population remains widespread.
