That is why Musicnotes.com offers piano sheet music designed specifically for beginners. These arrangements feature large notes which are easy to see and follow, with each note's name written on the note head. These features make it easier for the beginner to follow both the music on the page and the instructions from the teacher with little trouble; the easier it is for a beginner to learn, the more likely that an interest in learning will push him or her to face new challenges and try ...
