Creating a business plan can be as simple as roughing your ideas out on a price of paper. However if you are serious, as setting up a business can take a large startup capital, you would ideally sit down and write down a very detailed business plan. Create an Excel spreadsheet titled Opening A Nail Salon Checklist to keep detailed notes on every aspect of your business. That way, you can find all your information at a glance if you have forgotten something. As well, make your tax agent your ...

I agree coming up with a business plan even for an e-commerce site is important. It really is a business and you should treat it as such, you wouldn't start a brick and mortar business without a well thought out plan. I write business plans and grants, and it amazes me how people are not prepared to start a business. ...

Write your business plan for the salon. The business plan should address how you plan to finance your business (such as purchase/lease of a shop, salon equipment, products, insurance), staffing, hours of operation, fees, and marketing. The more thorough and realistic your business plan, the greater likelihood that you'll be able to get financial assistance through your bank.
