Code of Ethics - College of Policing

Integrity is the practice of being honest and showing a consistent and uncompromising adherence to strong moral and ethical principles and values. In ethics, integrity is regarded as the honesty and truthfulness or accuracy of one's actions. Integrity can stand in opposition to hypocrisy, in that judging with the standards of integrity involves regarding internal consistency as a virtue, and ...

Integrity - Wikipedia

Integrity, said author C.S. Lewis, "is doing the right thing, even when no one is looking.". Integrity is a foundational moral virtue, and the bedrock upon which good character is built. Acting with integrity means understanding, accepting, and choosing to live in accordance with one's principles, which will include honesty, fairness, and decency. A person of integrity will consistently demonstrate good character by being free of corruption and hypocrisy.

Integrity - Ethics Unwrapped

Ethics and values help create order in a society or community of individuals, as well as within oneself. Although there are some similarities between ethics and values, there are also some notable differences.
