Digitised version produced by the EUI Library and made available online in 2020.

~~European Insurance Law: A Single Insurance Market?~~

The aim of the Principles of European Insurance Contract Law (PEICL) is to establish a voluntary insurance contract law regime across the EU. Although progress has been made towards a single European insurance market, relatively little cross-border insurance business is actually being done outside the field of large commercial risks.

What is the eIDAS Regulation? Regulation (EU) No 910/2014 (the eIDAS Regulation) went into force on 1 July, 2016 having 'direct effect'—in other words, being mandatory and wholly adopted in all EU member states, with precedent over any conflicting national laws.

~~What is the eIDAS Regulation | DocuSign~~

Abstract. This article presents the first law and economics perspective on the topic of insurance law as a whole. In doing so it provides both an overview of insurance law as well as a discussion on the major themes of the economic analysis of insurance law and its leading cases.

~~The Law and Economics of Insurance Law—A Primer by Ronen ...~~

Contrary to the initial appearance of the typical insurance policy, there is a step by step method that insurance professionals and attorneys use to analyze a policy. My goal in this article is to explain that method in plain terms, explain some of the technical terms, and introduce basic insurance law concepts.
