File Type PDF Exotic Animal Medicine Review

Veterinary Technician is a comprehensive yet clear introduction to exotic animal practice for technicians in the classroom and clinic setting alike. With an emphasis on the exotic species most likely to present to a veterinary practice, coverage includes avian, reptiles, amphibians, small mammals, and wildlife.

~~Exotic Animal Medicine for the Veterinary Technician ...~~

Exotic animal medicine has evolved over the last two decades. Although gradual, the changes are profound. These changes are actually accelerated by the expectations of our clients, not necessarily by wide-ranging discoveries at our centers of

File Type PDF Exotic Animal Medicine Review

learning. In fact, centers for research may lag behind the day-to-day cases we see in practice.

~~Rapid Review of Exotic Animal Medicine and Husbandry~~

This handbook is a straightforward introduction to exotic animal medicine for the veterinary technician. "Exotic Animal Medicine for the Veterinary Technician" introduces technicians to the exotic animals they're most likely to see in practice, and provides clear-cut descriptions of common procedures on exotics.
