Eyes of the University: Right to Philosophy 2 | Jacques Derrida, Translated by Jan Plug and Others. Completing the translation of Derrida's monumental work Right to Philosophy (the first part of which has already appeared under the title of Who's Afraid of Philosophy?), Eyes of the University brings together many of the philosopher's most important texts on the university and, more broadly, on the languages and institutions of philosophy.

Eyes of the University: Right to Philosophy 2 | Jacques ...

On the Right to Philosophy is a 1990 book by the French philosopher Jacques Derrida. It collects all of Derrida's writings, from 1975 till 1990, on the issue of the teaching of philosophy, the academic institution and the politics of philosophy in school and in the university. It has been translated in English in two volumes: Who's Afraid of Philosophy?: Right to Philosophy 1, and Eyes of the University: Right to Philosophy 2.

From the Editors: Students must choose the right university

Co-author Professor Nicola Gray, from Swansea University, said: "This shows that the hyper-response of the pupil is in response to any arousing stimulus, and not just threatening ones. "This may allow us to use these positive pictures in therapy, rather than relying upon negative images that can be quite upsetting to the patient, and therefore make therapy more acceptable and bearable.
