Femme Fatale: Death

This book examines the rise of the femme fatale as a prominent fictional type in late nineteenth-century British culture. As a stereotype she has been 'fabricated', that is to say constructed as a 'figure in the carpet' of the fin-de-siècle.

Amazon.com: The Fabrication of the Late-Victorian Femme ...

The significance of the policing of interracial sexual liaisons in the 1790s cannot be realised without understanding Britain's previous activities in India. Since its conception in the seventeenth century, the East India Trading Company's primary function was the building and maintaining of trade links with India as a whole.[1] This holistic focus began to narrow...
