A recount should retell an experience that happened in the past. The reason for a recount can be to advise, entertain or to reflect and appraise. A recount can focus on a particular section of an event or retell the complete story. A recount should always be reported in the order that things happened.

[Personal Recounts - Language Features Lesson Plan | Teach ...](#)

A recount is the retelling or recounting of an event or a experience. Often based on the direct experience of the writer, the purpose is to tell what happened. Daily news telling in the classroom is a useful precursor to this particular writing genre. Recounts though often personal, can also be factual or imaginative.
