work. Without this work, the saving ordinances of the gospel would apply to so few who have ever lived that the gospel could not be claimed to be true.

~~Doing Genealogy: Finding That Glorious, Elusive Condition ...~~

The Balance of Power is one of the foundational concepts for the academic discipline of International Relations. Most treat it as a theoretical or analytical concept – a tool that scholars use to investigate the workings of world politics. However, there is a gap in the literature on the balance of power; it is also a concept used by political practitioners and diplomats in concrete debates ...
